**Door Solutions UK Ltd** is a family run company with over 40 years combined experience in the industry. Our pride and passion helps deliver high quality standards and outstanding customer care.

**Let us show you how...**

## Providing you with security and peace of mind.

- 24-hour call-out service *(anywhere in the UK)*.
- All products comply with British Standards and European Directives.
- DHF certified.
- Fully qualified and experienced engineers *(expert advice available)*.
- See a door in action before you buy *(contact us for further details)*.
- Our Health and Safety policy is regularly reviewed and updated.
- Regular risk assessments and PAT testing.
- Working towards ISO 9001, 14001, 18001 and CHAS.
- Continuous staff training i.e. CSCS, IPATH, First Aid, Manual Handling and NVQ.

## Keep you safe and comfortable in your workplace.

- Good security doors help deter vandals, leaving you feeling safe in your workplace.
- Vision panels available *(see your visitors before allowing access)*.
- Keep your workplace warm and comfortable *(consider an high speed door to reduce heat loss)*.

## Ensuring you comply with HSE Law.

- We keep you updated i.e. legislation changes and DHF news *(regular updates available on our website)*.
- Regular maintenance *(see below for details)*.
- Certificate of Conformance.

## Save you money.

- Very competitive prices.
- Help to reduce vandalism and theft.
- Reduce insurance premiums *(good security may reduce your insurance premiums)*.
- Reduce energy bills *(high speed doors help retain heat and are proven to help reduce energy bills)*.
- Increase property value *(good security may increase your property value)*.
- Prolong operational life and reduce faults with regular maintenance.
- Minimal disruption to normal operation *(our call-out service, quick response, and availability to work anytime of any day, keep disruptions to an absolute minimum)*.

**Don't just take our word for it! Customer testimonials available on our website.**

**MAINTENANCE** - HSE Law and P.U.W.E.R state that ALL mechanical and electrical doors are regularly maintained. Our maintenance package ensures you comply.

Our experienced engineers will:

- Undertake a detailed component inspection and full operational check - **Giving you peace of mind**
- Lubricate all relevant parts, which will lead to prolonged operational life - **Saving you money**
- Identify and make you aware of any repairs that need urgent attention - **Saving you time**
